Right-of-way to Town-owned beaches:

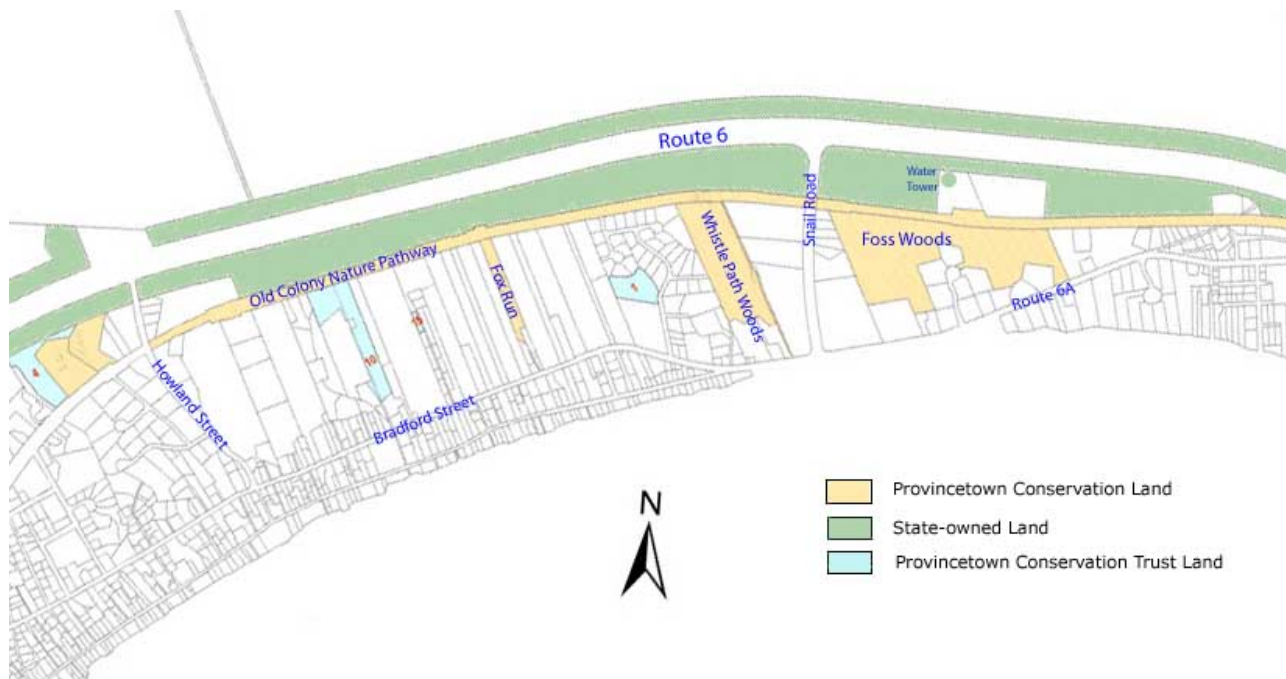

To reach the nearest public right-of-way, follow the driveway out of the property, cross Bradford St. and enter Anthony St. (the unpaved road slightly to the West -- towards town center). Follow Anthony one block. Directly across Commercial Street is a public walk-way to the beach.

Dog walks on Conservation Land:

Park at the intersection of Snail Road and the Old County Nature Pathway (the old railroad right-of-way). From here you can walk into any of the areas marked in yellow on the map below.

Walks in the Dunes

Park along the North Side of Route 6 at the intersection of Snail Road. The trail-head out into the dunes starts here. There is no shade, so an early morning or late afternoon walk is recommended. Walking in the loose sand may be difficult for some, but the dunes are spectacular and worth the effort.
